1st May 2025

Dear Student / Parents

Healthcare Insurance for Multimedia University (MMU) Students

Congratulations for being accepted for admission into Multimedia University.

Student Lifestyle & Experience Department (STyLE) would like to inform that all students will be covered by Etiqa Family Takaful group insurance/takaful for **group term life and group personal accident coverage only**. The scope of coverage/benefits are as specified in the Policy Contract which covers death, total permanent disablement (sickness/natural), total/partial permanent disablement (accident), medical expenses (accident), funeral expenses (accident & sickness/natural), hospital daily ward allowance (accident & sickness/natural), rape trauma compensation, repatriation expenses (accident), dengue recuperation and ambulance fee (accident). This plan provides 24 hours/7 days worldwide coverage, subjected to the policy's terms, conditions and exclusions.

Besides the above, all new local students are also encouraged to have healthcare insurance which covers **outpatient primary care, outpatient specialist care, hospital and surgical care, personal accident and life benefits**. For this purpose, MMU had appointed MSIG Insurance (Malaysia) Bhd (MSIG) as panel provider of healthcare insurance for our students. Currently, MSIG is offering an annual premium of RM350 for all the above coverage¹. A briefing about the insurance coverage will be conducted by MSIG during Week of Immersion & Networking (WIN) programme.

For subscription purpose, there are 2 enrolment procedures offered by MSIG

1. Online Enrolment (smartphone, tablet or laptop)

Go to the <https://www.takeiteasy.msig.com.my/mcp/> Period of insurance coverage will be defaulted to the academic year 2025 intake and the coverage will commence from either intake date or payment date, whichever is later. Payment online can be made via Debit or Credit cards. The online portal is supported on any operating system: Android, Safari, Chrome and Firefox. Email will be sent to you to confirm your subscription together with your insurance certificate.

2. Offline Enrolment

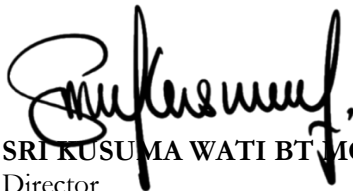

Attached is the enrolment form with a brief description of the coverage. Students can bank in RM350 to **MSIG CIMB account number 8001419116 and bring the slip of payment together with the insurance form to submit to the insurance counter during the registration day.** Alternatively, the students can do their subscription at MSIG counter at Student Service Centre. Please take note that the insurance coverage is only effective upon receipt of payment by MSIG or based on academic year intake 2025.

However, the premium and panel healthcare insurance provider are subject to change upon the expiry of the contract agreement between MMU and appointment of new provider. Those who already have their own insurance policy may fill up the **FORM OF UNDERTAKING FOR SELF-ARRANGEMENT OF INSURANCE** at https://ssc.mmu.edu.my/undertaking_of_insurance for record purpose only.

Thank you and I hope your stay at Multimedia University will be an enjoyable one.

With sincere best wishes.

Yours truly,
